

Welcome to 7th Grade!!!

We are looking forward to a fabulous 2020-2021 school year filled with learning and growing. To help you get a jump on being ready for a productive and prepared year, we wanted to send home a list of supplies that you will need for 7th grade so you can work on gathering these items throughout the rest of the summer. This is a supply list for items to be used regularly in your core classes-Math, English, Social Studies and Science. There may also be projects throughout the year for classes which will need additional specific supplies. Teachers will NOT have sharable supplies on hand this year. If for any reason, you are not able to gather these supplies, please reach out to isabella.white@beaufort.k12.sc.us.
